

## AUTOGEAR POWER GL 140

### Automotive Gear Oil

#### Product Description:

AUTOGEAR POWER GL 140 is an oil for the lubrication of older gearboxes and rear axles not requiring EP properties.

Specially selected base oils provide good resistance against oxidation and sludge formation and the use of special inhibitors effectively offsets the formation of foam.

AUTOGEAR POWER GL 140 can effectively be used in applications where the manufacturer indicates the use of GL-1 performance or where the use on uninhibited lubricants is prescribed.
