

AUTOGEAR POWER EP 80W-90

Automotive Gear Oil

Product Description:

AUTOGEAR POWER EP 80W-90 is a high performance gear lubricant designed to provide effective lubrication in a wide range of automotive transmissions and axle drives where API GL-4 quality oils are specified.

AUTOGEAR POWER EP 80W-90 is formulated from carefully base stocks and well balanced extreme pressure additives. AUTOGEAR POWER EP 80W-90 gives excellent protection towards gear components against wear and scoring. Furthermore AUTOGEAR POWER EP 80W-90 provides very good anti-corrosion protection and has been carefully inhibited against the formation of foam.

AUTOGEAR POWER EP 80W-90 exceeds the specifications of API GL-4 and US MIL-L-2105, as well as the requirements of most "Original Equipment Manufacturers" (OEMs).

AUTOGEAR POWER EP 80W-90 is recommended for manual transmissions and transaxles requiring oils meeting API GL-4 and for on-road passenger cars, light and heavy duty trucks, buses and vans.

AUTOGEAR POWER EP 80W-90 is also recommended for off-highway equipment in construction, mining and agriculture.

Specifications:		
Exceeds: API GL-4, US Army MIL-L-2105		
Property:	Test Method:	Typical Values:
SAE Viscosity Grade	SAE J300	80W-90
Kinematic Viscosity @ 40°C	ASTM D7042	152 mm ² /s
Kinematic Viscosity @ 100°C	ASTM D7042	14.5 mm ² /s
Brookfield Viscosity @ -26°C	ASTM D2983	<150000 cP
Viscosity Index	ASTM D2270	100
Density @ 15°C	ASTM D4052	896 kg/m ³
Flash Point (COC)	ASTM D92	>200°C
Pour Point	ASTM D97	-27°C
